How To Join This Church

If you wish to join First Baptist Church, we would love to have you. The New Testament is clear that there is no such thing as a "Lone Ranger" Christian. The life of faith, while personal, is designed to be lived out in a body of believers. We're a body...The Body of Christ at First Baptist Church.

Baptism – If you have prayed and received Christ as your personal Savior, you can join as a candidate for baptism.

Letter – If you have been Saved and Baptized by immersion, you can request for your letter of membership be transferred from another Baptist Church.

Statement – If you have been Saved and Baptized by immersion, and for some reason your letter of membership is not available, or you are coming from a Church of a different faith, you can join by your Statement of Faith.

Keep on asking, and you will be given what you ask for. Keep on looking, and you will find. Keep on knocking, and the door will be opened. For everyone who asks, receives. Everyone who seeks, finds. And the door is opened to everyone who knocks. (Matthew 7:7-8)
